

OKLAHOMA ACC ANNUAL SCIENTIFIC SESSION

SATURDAY, APRIL 11, 2026

**NICHOLSON AUDITORIUM ON THE OU HEALTH SCIENCES CENTER CAMPUS
OKLAHOMA CITY, OK**

**THIS CONFERENCE FEATURES RENOWNED SPEAKERS FROM OKLAHOMA AND OUTSIDE WHO WILL DISCUSS
CARDIO-ONCOLOGY IN 2026, AI FOR CARDIAC DIAGNOSTICS, PREVENT-ING CARDIOVASCULAR
DISEASE, CLOSING THE TREATMENT GAP IN TRICUSPID REGURGITATION: TRANSCATHETER REPAIR AND
REPLACEMENT, THE EMERGING FIELD OF CARDIO-RHEUMATOLOGY AND DERMATOLOGY, AND
GENDER DISPARITIES IN CV CARE**

**EDUCATION GEARED TO THE ENTIRE CARDIOVASCULAR CARE TEAM
EARN 3.75 AMA PRA CATEGORY 1 CREDITS™**

KEYNOTE SPEAKER:

LEE GOLDBERG, M.D., M.P.H., F.A.C.C.

PROFESSOR OF MEDICINE

SECTION CHIEF: ADVANCED HEART FAILURE AND CARDIAC
TRANSPLANT

VICE CHAIR: MEDICINE FOR INFORMATICS
PENN MEDICINE

JOINTLY PROVIDED BY:

**THE AMERICAN COLLEGE OF CARDIOLOGY FOUNDATION
AND THE OKLAHOMA CHAPTER OF
THE AMERICAN COLLEGE OF CARDIOLOGY**

2026 OKLAHOMA ACC ANNUAL SCIENTIFIC MEETING

AN INVITATION TO OUR COLLEAGUES

**Chittur A. Sivaram, M.D.,
M.A.C.P., M.A.C.C.,**
Annual Scientific Session
Program Chair

**Eugen Ivan,
M.D., F.A.C.C.**
Oklahoma ACC President

**Zain Asad,
M.D., M.S., F.A.H.A., F.A.C.C.**
Oklahoma ACC
President-Elect

You are cordially invited to attend the 2026 Oklahoma Chapter American College of Cardiology Annual Scientific Meeting on Saturday, April 11, 2026. The meeting is a half-day long session aimed at providing updates on important cardiovascular topics relevant to the clinical practice of cardiology. The session provides instruction delivered through formal presentations by leaders in the field, with the goal of enhancing both knowledge and skills of the care team for appropriate care of patients based on latest guidelines, and meeting the unique needs of special populations.

The meeting will be offered only LIVE and in person at the Nicholson Auditorium on the University of Oklahoma Health Sciences Campus. Please plan to attend this session, which provides a great opportunity to earn 3.75 AMA PRA Category 1 Credits™, to listen to nationally noted speakers, to network with cardiac team members from diverse communities within the state and to get to know cardiology fellows-in-training.

Cardiovascular science is constantly evolving, with both new discoveries and new therapies being published each year. This educational activity will provide the cardiovascular professional team with an update on a selected number of high-priority items identified from environmental scanning, with discussion of both the science and evidence behind current recommendations. The overall goal for this year's conference is improvement of patient care through increasing learner competence, leading to improved performance in applying evidence-based treatment options.

This is a great opportunity to bring your whole team for a day of great professional development.

The ACC is our professional association and each of you, as Oklahoma ACC members, are key components of our state Chapter. We ask that you and your colleagues attend this very important and informative meeting.

STATEMENT OF NEED

Standards of Cardiovascular Care are constantly evolving, and practitioners might find it difficult to keep up with the latest guideline recommendations. Some members of the College have limited opportunities to interact with experts in the field.

OVERALL GOAL

The overall goal of this program is to help the cardiovascular clinician provide comprehensive presentations by experts on topics currently considered relevant to the care of cardiovascular patients, including unique populations.

TARGET AUDIENCE

This course is intended for Cardiologists, CV Surgeons, Pharmacists, Cardiovascular Physician Trainees, Internists, Primary Care Physicians, Physician Assistants, Nurse Practitioners, and other health care providers.

EXHIBITOR ACKNOWLEDGMENT

At the time of printing, a complete listing of industry supporters was not available. Appropriate acknowledgment will be made upon confirmation of support at the time of the course.

2026 OKLAHOMA ACC ANNUAL SCIENTIFIC MEETING

SCHEDULE OF EVENTS/INVITED FACULTY

SCHEDULE OF EVENTS

- 7.00- 7:55 A.M. **Registration, Breakfast, Visit with Exhibitors**
- 7.55- 8.00 A.M. **Opening Remarks, Housekeeping**
C.A. Sivaram, M.D., M.A.C.P., M.A.C.C.
Moderator
- 8.00- 8.40 A.M. **Cardio-Oncology in 2026: Roadmap for Clinical Care and Service-Line Collaboration**
Ana Barac, M.D., Ph.D., F.A.H.A., F.A.C.C.
- 8.40- 9.20 A.M. **AI for Cardiac Diagnostics: Intelligence Beyond Automation**
Partho P. Sengupta, M.D., D.M., F.A.S.E., F.A.C.C.
- 9.20-9.35 A.M. **Break, Visit Exhibitors**
- 9.35-10.15 A.M. **PREVENT-ing Cardiovascular Disease: New Standard for Risk Prediction**
Sadiya S. Khan, M.D., M.Sc., F.A.H.A., F.A.C.C.
- 10.15-10.45 A.M. **Closing the Treatment Gap in Tricuspid Regurgitation: Transcatheter Repair and Replacement in 2026**
Parasuram Krishnamoorthy, M.D., F.S.C.A.I., F.A.C.C.
- 10:45-11.00 A.M. **Break, Visit Exhibitors**
- 11.00-11.40 A.M. **The Emerging Field of Cardio-Rheumatology and Cardio-Dermatology: Cardiovascular Prevention in the Face of Immune-Mediated Inflammatory Diseases**
Brittany Weber, M.D., Ph.D., F.A.H.A., F.A.C.C.
- 11.40-12.15 P.M. **Gender Disparities in CV Care: More than Twenty Years of Go Red for Women**
Gina Lundberg, M.D., F.A.H.A., F.A.C.C.
- 12.15-12.30 P.M. **Lunch Break**
- 12.30-1:25 P.M. **Oklahoma ACC Governor Report**
Zain Asad, M.D., M.S., F.A.H.A., F.A.C.C.
Non-Certified Session
- Key Note Address:**
ACC Presidential Team Leader
Lee Goldberg, M.D., M.P.H., F.A.C.C.
Non-Certified Session
- 1.25-1.30 P.M. **Concluding Remarks and Poster Award Presentation**
C.A. Sivaram, M.D., M.A.C.P., M.A.C.C.

ACC PRESIDENTIAL TEAM MEMBER:

Lee Goldberg, M.D., M.P.H., F.A.C.C.

Professor of Medicine; Section Chief
Advanced Heart Failure and Cardiac Transplantation; Vice
Chair: Medicine for Informatics
Perelman Center for Advanced Medicine at Penn Medicine,
Philadelphia, PA

SPEAKERS:

Ana Barac, M.D., Ph.D., F.A.H.A., F.A.C.C.

D'Aniello Chair, Cardio-Oncology
Inova Schar Cancer & Inova Schar Heart and Vascular,
Fairfax, VA

Sadiya S. Khan, M.D., M.Sc., F.A.H.A., F.A.C.C.

Magerstadt Professor of Cardiovascular Epidemiology;
Associate Professor of Medicine and Preventive Medicine
Director, Center for Population Science and Aging
Northwestern University Feinberg School of Medicine
Chicago, IL

Parasuram Krishnamoorthy, M.D., F.S.C.A.I., F.A.C.C.

Associate Professor of Medicine
Cardiovascular Section- Department of Medicine
Director of Structural Interventions & Interventional
Cardiology Fellowship, OU Health
University of Oklahoma
Oklahoma City, OK

Gina Lundberg, M.D., F.A.H.A., F.A.C.C.

Clinical Director Emory Women's Heart Center
Professor of Medicine, Division of Cardiology, Emory
University School of Medicine
Atlanta, GA

Partho P Sengupta, M.D., D.M., F.A.S.E., F.A.C.C.

Henry Rutgers Tenured Professor of Cardiology
Chief of Cardiovascular Medicine
Robert Wood Johnson Medical School & Chief of
Cardiovascular Service Line
Robert Wood Johnson University Hospital,
New Brunswick, NJ

Brittany Weber, M.D., Ph.D., F.A.H.A., F.A.C.C.

Assistant Professor of Medicine and Dermatology, Division of
Cardiology
Director, Cardio-Rheumatology and Cardio-Dermatology
Program
UT Southwestern Medical Center, Dallas, TX

DISCLAIMER

This information is provided for general medical education purposes only and is not meant to substitute for the independent medical judgment of a clinician relative to diagnostic and treatment options for a specific patient's medical condition.

The American College of Cardiology Foundation (ACCF) does not warrant the completeness, accuracy or usefulness of any opinions, advice, services or other information provided through this activity. In no event will ACCF be liable for any decision made, or action taken, in reliance upon the information provided through this activity.

Accredited status does not imply endorsement by ACC of any commercial products displayed in conjunction with this activity.

ACCF reserves the right to modify faculty and program without notice.

DISCLOSURE INFORMATION

Disclosure/Conflict of Interest Statement:

As a provider jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), the American College of Cardiology Foundation (ACCF) must ensure balance, independence, objectivity, and scientific rigor in all of their directly provided or jointly provided/co-provided educational activities. Planners, presenters, and other contributors, in a position to control the content are required to disclose to the audience all relevant financial relationships he/she and/or his/her spouse or domestic partner may have, occurring within the past 24 months, with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. When an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, the contributor should disclose that the product is not labeled for the use under discussion or that the product is still investigational.

ACCF is committed to providing its learners with high-quality activities and materials that promote improvements and quality in health care and not a specific proprietary business or commercial interest. The intent of this disclosure is not to prevent participation in educational activities by persons with a financial or other relationship, but rather to provide learners with information on which they can make their own determination whether financial interests or relationships may influence the education activity.

ACCF assesses conflicts of interest (COI) with its faculty, planners, managers, staff, and other individuals who are in a position to control the content of certified activities. All relevant potential conflicts of interest that are identified are thoroughly vetted by course directors, ACCF education staff, and members of the Accreditation Compliance Workgroup (ACWG) through a process that includes appropriate peer review for fair balance, scientific objectivity and validity, and patient care and safety recommendations.

ACCF has taken the necessary steps to ensure that all relevant financial relationships have been mitigated.

Please note ACCF staff and the ACWG members involved with this activity have nothing to disclose, unless otherwise noted.

2026 OKLAHOMA ACC ANNUAL SCIENTIFIC MEETING

GENERAL INFORMATION

ACCREDITATION

In support of improving patient care, the American College of Cardiology Foundation (ACCF) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

JOINT PROVIDERSHIP STATEMENT:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of Joint Accreditation (JA) through the joint providership of the American College of Cardiology Foundation and the Oklahoma Chapter of the American College of Cardiology. The American College of Cardiology Foundation is accredited by Joint Accreditation to provide continuing medical education for the healthcare team.

Physicians:

The ACCF designates this live educational activity for a maximum of 3.75 AMA PRA Category I Credit(s)[™]. Physicians, nurses and pharmacists should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3.75 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) Program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

AAPA Credit Designation Statement – Live

The American College of Cardiology Foundation has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 3.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Interprofessional Continuing Education (IPCE) Credit:

This activity was planned by and for the healthcare team, and learners will receive ___ Interprofessional Continuing Education (IPCE) credits for learning and change.

CREDIT AND COURSE EVALUATION:

Your feedback from this American College of Cardiology (ACC) educational course will help us to better target ACC educational initiatives and efforts to support you and your future learning needs. In order to receive your CME, CNE, CPE, PA, and/or MOC

certificate or certificate of attendance, and to claim your MOC points you must complete a brief evaluation survey online. This survey will be sent via email and will include a direct link to the survey. We strongly recommend that evaluations and credit claims be submitted within **one month** of the course, but **you must complete them within three months of the course.**

ACC certifies each course only for the credit types for which the activity meets accreditor requirements. If your profession's credit type is not listed for a given course, you may still claim a Certificate of Participation. This certificate includes the AMA Credit Designation Statement that many boards and professional organizations use to award equivalent credit upon learner submission. Once you complete the course evaluation, you will be able to generate either your profession's designated certificate (if available) or a Certificate of Participation (COP). In both cases, you must use that certificate to self-report credit to your licensing or certifying body. Before enrolling in a course, you should confirm with your own licensing or certification board that they accept AMA credit as an equivalent credit towards your professional requirements.

LEARNING OBJECTIVES

Upon completion of this program, attendees should be able to:

1. Identify gaps in cardiovascular care of oncology patients. Apply professional society recommendations in clinical practice. Establish effective workflow processes.
2. Review the contemporary applications of AI for ECG and echocardiography. Review the mechanistic understanding and explainability of AI applications.
3. Review the changing epidemiology of cardiovascular disease in the United States.
4. Discuss the rationale and development of the PREVENT equations. Discuss how to utilize the PREVENT equations in the prevention of cardiovascular disease in clinical care.
5. Describe the magnitude, clinical impact, and unmet needs of tricuspid regurgitation (TR), and identify the key challenges associated with treating patients with advanced TR.
6. Summarize advances in the transcatheter tricuspid valve landscape, including contemporary repair and replacement technologies. Review patient selection criteria and the current evidence base supporting transcatheter tricuspid therapies (with a focus on transcatheter edge-to-edge repair (TEER) and transcatheter tricuspid valve replacement).
7. Review the broad manifestations of cardiovascular disease with immune-mediated inflammatory disorders.
8. Discuss limitations of the current risk assessment tools and the role of multimodality imaging in risk assessment.
9. Evaluate Cardiology and Rheumatology/Dermatology Collaborative Care Models.
10. Review current data on CVD and maternal mortality rates in Women.
11. Categorize forms of myocardial ischemia in women.
12. Discuss the impact of social determinants of health, widening disparities and the need for sex-specific care.
